People

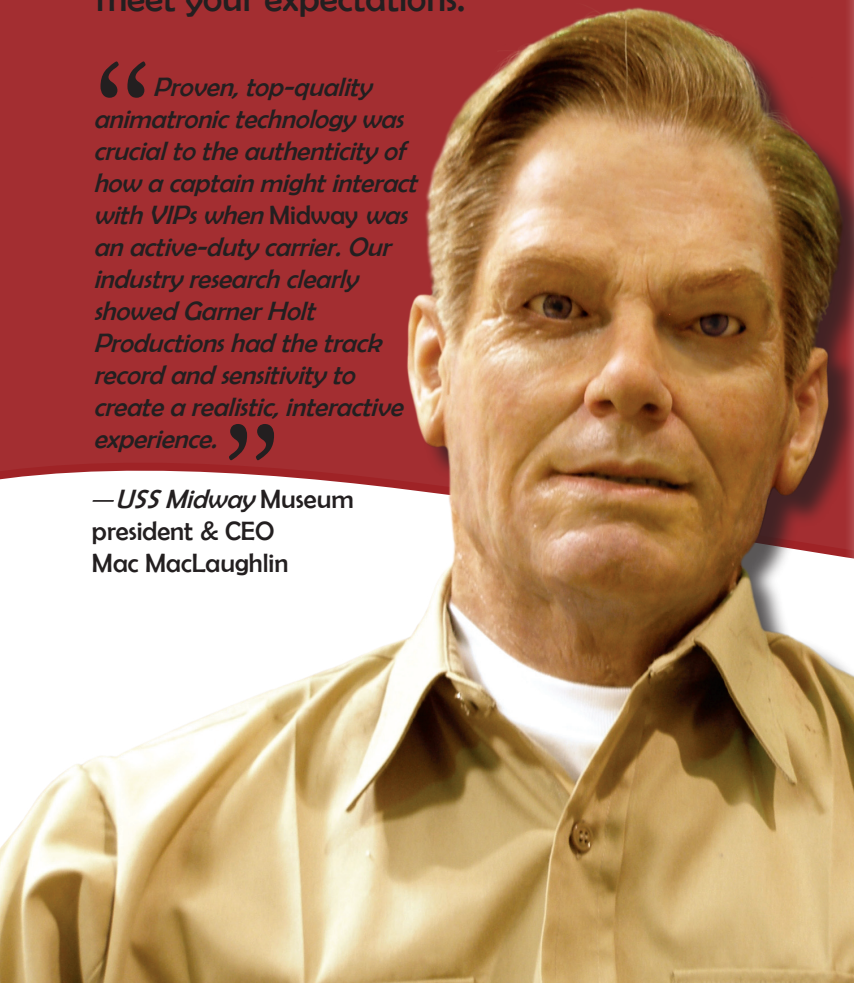

for museums, attractions,
& meaningful experiences

Garner Holt Productions, Inc. creates the finest animatronics, show action systems, interactive exhibits and special effects in the world today. Our technological savvy, exceptional artistry and attention to detail is apparent in everything we make. Whether your goal is to educate, entertain or inform, whether you need a single animated figure or a total immersive environment, you can be sure that we will meet your expectations.

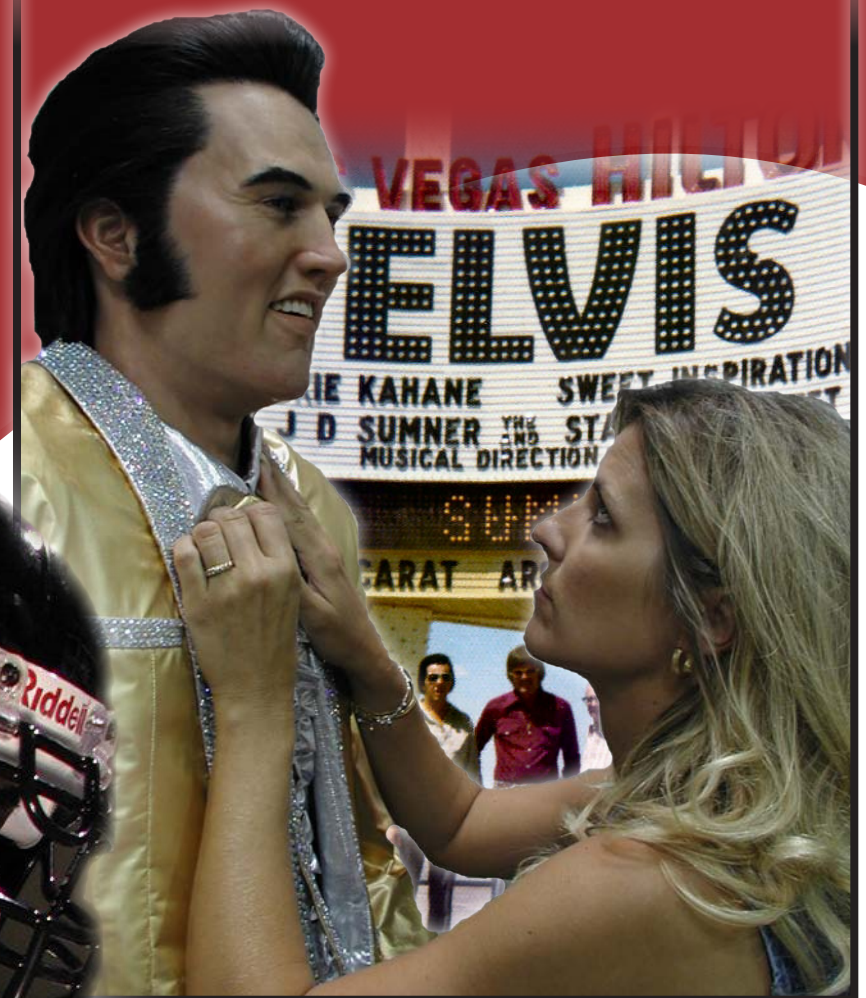

“Proven, top-quality animatronic technology was crucial to the authenticity of how a captain might interact with VIPs when Midway was an active-duty carrier. Our industry research clearly showed Garner Holt Productions had the track record and sensitivity to create a realistic, interactive experience.”

— USS Midway Museum president & CEO Mac MacLaughlin

You need people?

We've created hundreds of animated and static human figures for theme parks, museums and attractions all over the world. From the likes of historic personalities to Hollywood celebrities, we've done it all—with the care and precision that makes us the top animatronics maker in the world. Let us help you put people in your design.

- Museum-quality animated & static figures
- Sculpting, molding, painting, & costuming
- Complete character design, from start to finish
