Birds

for museums, attractions,
& meaningful experiences

Garner Holt Productions, Inc. creates the finest animatronics, show action systems, interactive exhibits and special effects in the world today. Our technological savvy, exceptional artistry and attention to detail is apparent in everything we make. Whether your goal is to educate, entertain or inform, whether you need a single animated figure or a total immersive environment, you can be sure that we will meet your expectations.

Nest a little empty?

Few creatures are as expressive, varied, and attractive to audiences as birds. We've created dozens of realistic and caricatured feathered friends for discriminating entertainment and educational organizations all over the world. Whether animated or static, true-to-life or purely imaginative, our birds are detailed, engaging, and memorable. Give your audience something to tweet and whistle about.

- Museum-quality animated & static birds
- Sculpting, molding, painting, & feathering
- All feathers come from domestic commercial fowl
