Exhibits & Interactives

for museums, attractions,
& meaningful experiences

Garner Holt Productions, Inc. creates the finest animatronics, show action systems, interactive exhibits and special effects in the world today. Our technological savvy, exceptional artistry and attention to detail is apparent in everything we make. Whether your goal is to educate, entertain or inform, whether you need a single animated figure or a total immersive environment, you can be sure that we will meet your expectations.

Have something to say?

Memorable exhibits and interactive displays provide visitors with an engaging way to experience history and science, learn more about a new and amazing product, or a way to gain a different perspective on things. We've created dozens of exhibits involving cutting-edge technology and animatronics, detailed set work and presentations. Our exhibits are experienced every day all over the world in theme parks, museums, casinos, and other attractions. If you have something important to say, let us help you to really get the word out.
